Implema chosen the Swedish SAP partner of the year

Implema has been chosen as the Swedish SAP Partner of the Year in SAP Business All-in-One. The prize was presented at the annual SAP Partner of the Year Award 2009 in Copenhagen, Denmark. This is the second consecutive year that Implema has received the prize.

– We are very proud once again to be acknowledged for our contributions to SAP in the SME market segment. The prize demonstrates that our focus on SAP to the SME market is successful and that we retain our position as the leading Swedish SAP partner in the midsize market, says Jorgen Aronsson, CEO Implema.

The purpose of the SAP Partner of the Year Award is to honor and recognize the best performing partners for their trust in SAP, investments and proven success with SAP in the lower midmarket.
